INITIATED

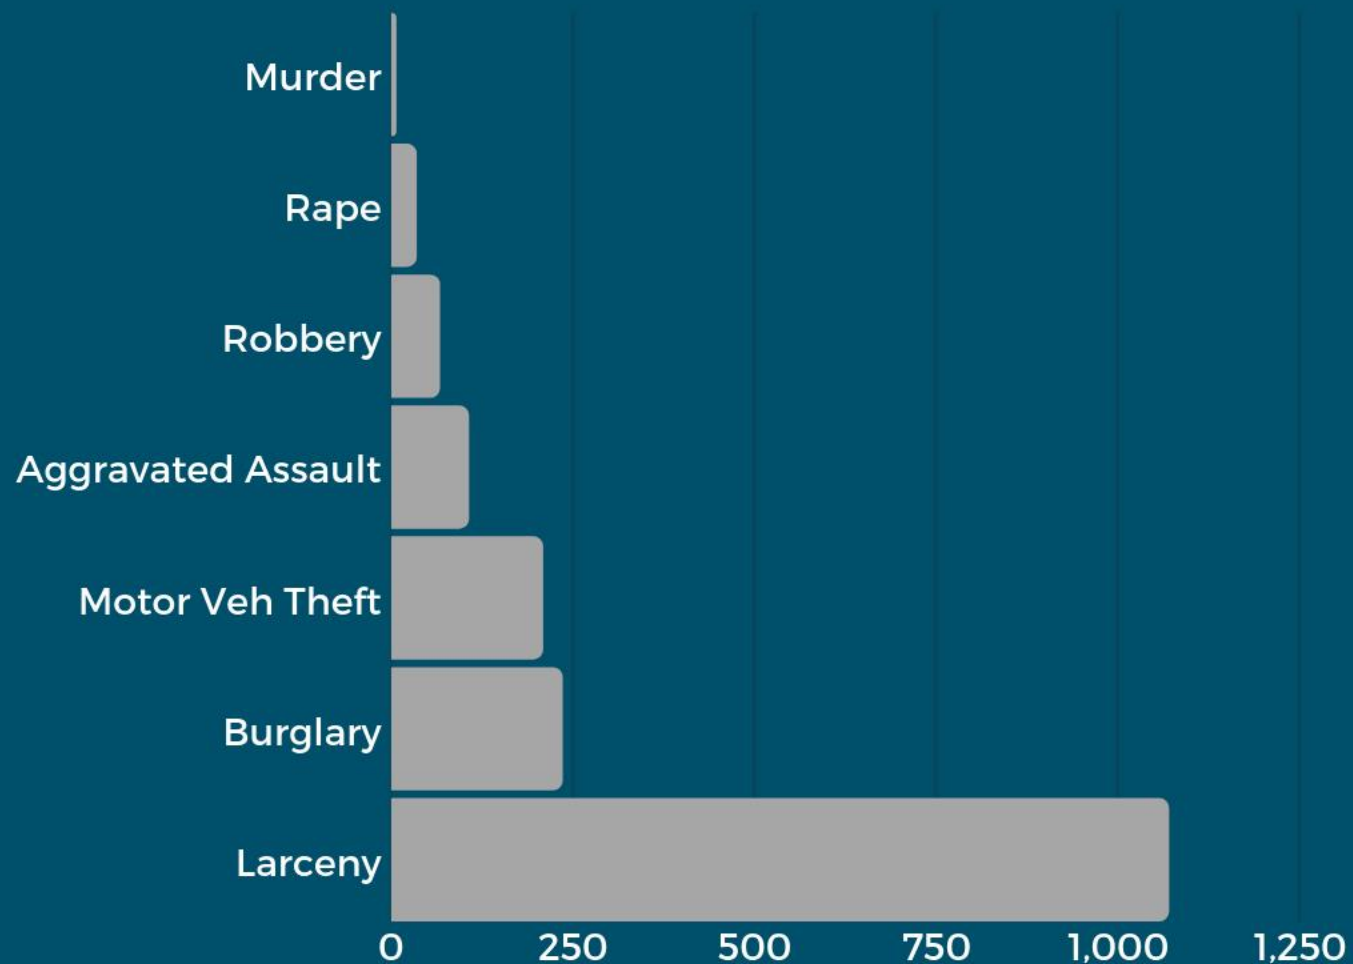

AVERAGE OF 171 INCIDENTS PER DAY

According to the HCCF jail booking statistics, the Eureka Police Department had more than double the jail bookings of any other individual department, making up 34 % of all bookings.

FBI PART 1 CRIMES

This chart shows the amount of part one crime reports taken by the Eureka Police Department in 2018.

88%

property crime

12%

violent crime

PROPERTY CRIME

- Overall, property crime rates have remained steady over the last few years.
- Residential burglaries have decreased
- The monthly average of residential burglaries has gone from 21 in 2013-2015 to 16 in 2016-2018.
- 2018 had the lowest average in 6 years, with 14.

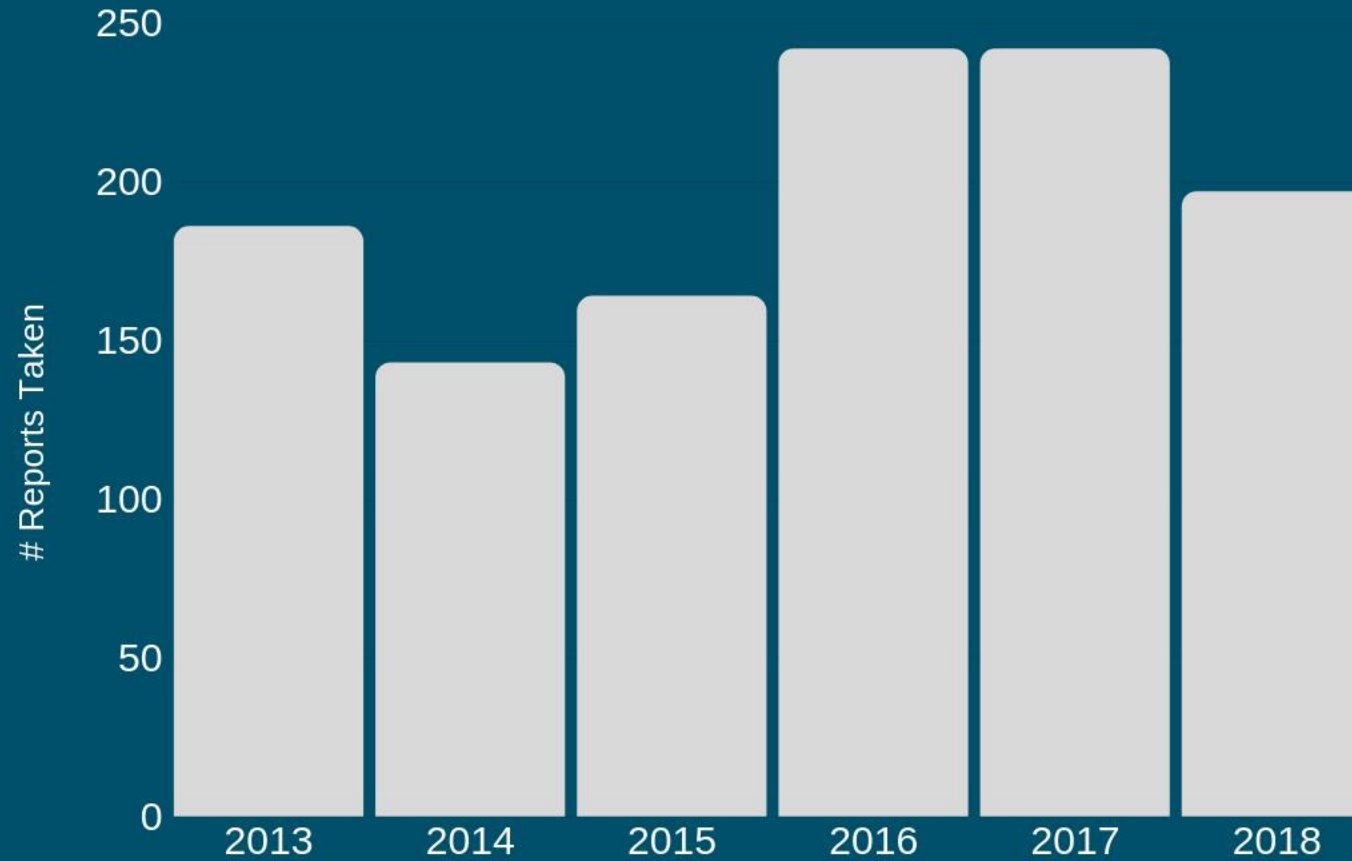

Average of 14
residential
burglaries per
month

Average of 17
vehicles stolen
per month

Most residential burglaries occur while residents are at work or out of town.

VIOLENT CRIME

Eureka saw an increase in violent crime 2015-2017, particularly armed robberies and violent assaults. Detectives investigated dozens of armed robberies, which have resulted in multiple lengthy prison sentences. While violent crime still appears to be trending up since 2013, Eureka saw a noticeable reduction in 2018.
